WELCOME TO PRINCE WILLIAM YACHT CLUB FROM THE HELM! Thank you for the opportunity to serve as your Commodore in 2018. Our club is a wonderful community of boaters with a common bond of enjoying time together on land and water. I'm looking forward to working with the Bridge and membership to keep the club's energy and momentum going strong. Our annual membership fee of \$75 per boat/family is the best value you'll find anywhere in boating. We encourage you and your family to join in the fun. Renewing your membership maximizes your return on investment by providing access to monthly events starting in March. Participate in hands on boating safety training, monthly cruises and frequent social activities. You'll also receive the Lifeline newsletter which ties it all together. Check out our website and then go to the home page and click Join/Rejoin the Club which directs you to the online registration. If you have any ideas or comments about enhancing the value of membership, please drop me a note at commodore@pwyc.org. I look forward to seeing you on the docks. Dennis Gatens Commodore, PWYCBuzzed Gobbler, K-15
