I am honored to have been selected by Commodore Wright as Our Club's delegate to the Potomac River Yacht Clubs Association (PRYCA). If you are not familiar with PRYCA, this is an organization composed of 24 yacht clubs that operate on the Potomac River. Check it out at www.potomacriveryachtclubs.org .

The PRYCA traditionally hosts a number of cruising events including the Summer Kick-off, Float-in, Dog Days of Summer, and an end of summer party. These events are well attended, a blast, and open to all of Our Club's Members. Information about the scheduled activities is included below and I will be telling you more about these in the coming months.
