We’ve been dealing with COVID restrictions for over a year. Thankfully, things are getting better. Here’s the website that addresses Virginia’s latest COVID restrictions:

<https://www.virginia.gov/coronavirus/>

Please be sure to thank the folks who’ve helped our club become active again! At the end of April, Steve Levenson and Una Murphy did a great job pulling together our first Mattawoman raft-up of the season. On 1 May, Kevin and Laurie Ryan pulled together our abbreviated Kentucky Derby Celebration, along with our world-renowned mint julep mixologist, Al Gross as well as our magic music mixer, Harold Jenkinson who spun some spunky tunes on his magic music mixing machine. On 15 May, our Rear Commodore, Jim Khoury and Vice Commodore, Rick McHarg did an awesome job coordinating our support for the annual Occoquan Blessing of the Fleet. Then, that evening, our outstanding Social Chair, Denise Parsons pulled together the support of all the Dock Representatives for our annual Dock Crawl. Well done and thanks to all!!!

Al Gross makes sure everybody has a great time!

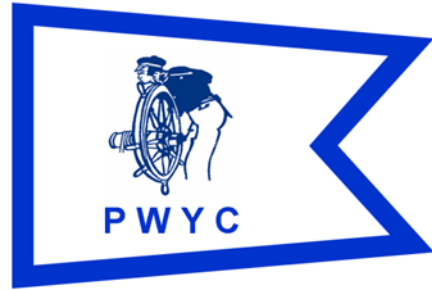

(left to right) Jack Samar, Teresa Strano, Mike Strano, and Sherry Samar enjoy Al Gross' concoctions!

Craig and Lisa Chuba, having been warned about Al Gross' potions, opt for a beer instead.

After our club awarded the monetary awards for Kentucky Derby race prognostication, I hope everybody had the opportunity to congratulate our winners: Kevin Ryan and Kelly Yeh! Now for the really funny part: Unbeknownst to anybody at the event (to include the officials and participants), the races that determined this year's winners were actually recordings from last year's races! This was due to a (no kidding) mistake in web-surfing and the playing of the wrong races. By the time the error was realized, we'd already celebrated the victors...and since it was all-for-fun and nobody actually picked their horses, the winning picks remained certified! Let this be yet another tall tale to go down in the annals of PWYC history!

After a ton of consultations, your Board of Directors has decided to move our annual Patriot Cruise and Salute (PCS) to 9 October. This change in dates should allow for continued relaxations of COVID restrictions. Our new primary PCS Coordinators, Doug and Jenna Burum, along with our outgoing PCS Coordinators, Ed and Christine Mason hope that the entire club will pitch-in to return this event to its rightful place as the seminal event of our boating season!

If you haven't already, please pick up your Membership Directory and Card that Membership Chair Amy Marshall placed in the Blue Bath House and thank her for the hard work.

Please be safe, remain healthy, continue to check on each other, and stay flexible.

Let's keep praying for each other...

See you on the water,

Mike Connolly

Now that the 2021 Boating Season is in full swing, let's get the weather turned around so we have some playtime on weekends here on out. I've had enough wind and cold weather this Spring to last me a decade! ..As we look ahead into June and beyond, We have many exciting on water and off the water activities to keep that car pointed to Prince William Marina every Saturday and Sunday... and with fewer COVID Restrictions and more folks vaccinated, a normal summer looms on the horizon. I hope you were able to get those Vessel Safety Checks completed and put that 2021 Sticker right up on the windshield. If you plan on venturing North of the Wilson Bridge on the Potomac to Alexandria, the Wharf, the Yards, or 3 sisters (Raft-Up in Aug), it is a requirement of Marine Patrol. You will need it.

Kicked off May with a fabulous Non-Kentucky Derby party – Done...Blessing of the Fleet – Done. Small boat cruise to Tim's for lunch (oh yeah, Tim's is staying open through September!)- Done, Dock Crawl (that's when everyone comes to each dock for a sample signature cocktail and tasty treat) – Done ...Were you there? Shoulda been!. A great Mem Day cruise to the Wharf in DC is planned and led by Vicky & Bob Carr of CARRuisin'-14 boats will be joining in the fun! Oh yeah, May was great this year.

Matt and Lisa Shaw serving up drinks at the Dock Crawl

Everyone had a great time and enjoyed the Dock Crawl

So June holds another exciting line-up. Many more good reasons to get to the Marina on the Weekends. We start off on June 5 with the K-Dock Sponsored CAPT Hour at the Deck off K-dock at 6. Food and Drink to be had for all PWYC, so bring your crew and wear Red, White and Blue! The next event is the Father's day cruise, and Rear Commodore Jim Khoury is leading that cruise to Coles Point for a weekend of fun. See his column and the Flyer later this issue...

That takes us up to the end of school and the 4th of July. No cruise for us this year due to no Champion for the event, but if you venture up to DC for the Fireworks, a safety tip is to plan to delay your return trip in the dark. Hundreds of boats will try to head south after the fireworks finale at the same time. Some have no lights, some travel at excess speed, and some have inebriated pilots. Find a place to lay low near the shore until the rush is over or head upstream to anchor at 3 sisters for the night.

We will have our board meeting on July 10, plus a dock rep meeting to discuss Christmas decorating plans and another CAPT Hour on July 10 sponsored by A-D-docks. I'm still looking for Dock Reps from A & B dock, F Dock, and L Dock. If you want to join the PWYC Crew as a dock rep come talk to me or email me (address below). So much fun! Good thing there are several weekends with nothing planned so you can cruise up or down the rivers...

One final reminder - Be on the lookout for the paddlers as you exit the marina Fairways. As I have said before, there will be a lot of them - if the weather is good for you, it is good for them!

...AND FROM THE REAR**Rear Commodore's Report****June 1, 2021**

Our cruise to the DC Warf, championed by Vicky and Bob Carr, is quickly coming to fruition. Vicky, has produced and disseminated a huge amount of information, coupled with setting up teams of experienced captains to assist less experienced folks to arrive safely at the destination for the weekend.

At this point, the entire weekend is carefully planned out with activities and events that should keep every participant occupied for the entire trip! We have thirteen vessels attending so there will be a great time for all.

She's done an amazing job getting things together and this event promises to be outstanding! If you don't enjoy yourself... You weren't there.

As a reminder, there is a Member Led Cruise scheduled for June 4th – June 13th going north from PWM to Cape May, NJ and beyond. Some folks will be going up into the NY area to explore the Hudson and its beauty. If you would like to attend, please contact Jay Dowling. Email Jay: jay.dowling@comcast.net or by phone: 540-664-7270

The Father's Day Weekend Cruise to Coles Point Marina will be the next on-water event on the schedule. I have produced and distributed flyers around the marina.

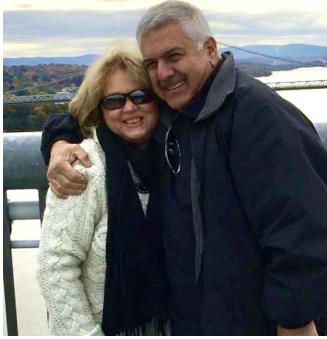

Hopefully, we get good participation by the membership to make this event as successful as all the past events. I anticipate good attendance as many have expressed interest in this event.

Please see the attached flyer elsewhere in this publication.

As a result of a change in the schedule for the Patriot Cruise, the PWYC Commodore's Columbus Day Cruise has been cancelled and the Patriot's Cruise has been moved to that scheduled date (October 9th, 2021). With some good luck and the cooperation of Mother Nature, PWYC and PWM will treat the Veterans and their families to a great day out on the Potomac, and a great time at the after-party!

Respectfully submitted,

Jim Khoury, Rear Commodore
